BOSTON, March 2, 1905.

HON. PATRICK A. COLLINS, *Mayor* :

SIR, — In compliance with section 24 of chapter 3 of the Revised Ordinances, the Board of Election Commissioners respectfully submits its report for the year 1904.

NUMBER OF VOTERS.

At the city election in December in 1903, the number of male voters on the list was 110,643. The number of such voters on the list published by the board in August, 1904, was 99,669. From that time to the close of registration for the city election there were added the names of 15,626 male voters. In revising the voting list, after the publication of the voting list in August, 719 names were dropped on account of death, removal or other causes. The number of male voters on the final list sent to the polls on the day of the city election of 1904 was 114,576, an increase of 3,933 from the list of the preceding year.

In 1903 there were 18,515 female voters registered for the city election. In 1904 their number was 17,119, a decrease of 1,396. The total increase of male and female voters from the preceding year was 2,537.

NEW PRECINCTS.

According to the registration of the last city election Precinct 7 of Ward 20 contained 1,022 male voters; Precinct 3 of Ward 24 contained 1,015 male voters, and Precinct 8 of Ward 24 contained 1,074 male voters. Under section 161 of chapter 11 of the Revised Laws, the aldermen must, on or before the first Monday in July of the current year, divide these precincts or make a new division of the ward so that no precinct shall contain more than 1,000 male voters.

LEGISLATION OF 1904.

Chapter 179 of the Acts of 1904 provides for the holding of caucuses by wards and towns for the choice of delegates to conventions for the nomination of candidates for president and vice-president of the United States, and also provides for the appointment of caucus officers to serve at such caucuses.

Chapter 201 of the Acts of 1904 provides that a cross in the circle at the head of an entire group of candidates for ward committee shall count for a vote for each candidate therein. This law was recommended by the board because it was an extension of the principle then in vogue relative to voting for delegates to conventions, and also because it would simplify the counting of the city primary ballots. It has accomplished the desired result.

Chapter 245 of the Acts of 1904 provides for certain minor changes in the law relative to the listing and registration of voters in Boston.

Chapter 275 of the Acts of 1904 provides that section 109 of chapter 11 of the Revised Laws be amended by striking out the words "or any other information whereby his identity may be established, and" so as to read as follows:

SECTION 109. The nomination paper for an elective office shall give the name of the candidate, the street and number, if any, of his residence, and may, in not more than eight words, state his occupation, the public offices he has held, his qualifications for the office to be filled, or his position on any public measure.

Chapter 293 of the Acts of 1904 provides that in Boston fifty or more voters of a ward shall sign in person a petition for a recount. This change was also recommended by the board, because it was of opinion, as set forth in its report of last year, that the right to petition for recounts had been greatly abused.

Chapter 310 of the Acts of 1904 provides certain penalties for illegal voting or attempting to vote, and illegal registration or attempting to register.

Chapter 334 of the Acts of 1904 provides that chapter 11 of the Revised Laws be amended by striking out section 5, as amended by section 1 of chapter 384 of the Acts of 1902, and inserting in place thereof the following: Section 5. No person entitled to vote at an election shall, upon the day of any such election, be employed in any manufacturing, mechanical or mercantile establishment, except such as may lawfully conduct its business on Sunday, during the period of two hours after the opening of the polls in the voting precinct or town in which he is entitled to vote, if he shall make application for leave of absence during such period.

Chapter 375 of the Acts of 1904 provides for the filing and inspection of election expenses. Chapter 380 of said Acts relates to the expenses of candidates for public office.

Chapter 404 of the Acts of 1904 provides for the nomination and election of aldermen in Boston. By this Act Boston is divided for the purpose of nominating such candidates by the political parties into eleven districts. It provides that each political party shall nominate thirteen candidates, and that every candidate nominated shall be a voter of the district from which he is nominated. It also provides that after such nominations are made no voter shall vote for more than seven aldermen, and the thirteen aldermen receiving the highest number of votes shall be declared elected.

COMPLAINTS OF ILLEGAL REGISTRATION.

There were no such complaints filed in this office.

JURORS.

In accordance with chapter 176 of the Revised Laws the board has prepared a list of inhabitants of Boston qualified to serve as jurors. This duty is one of the most important that confronts the board. Realizing its importance, we have given the matter careful attention. During the last three years the names of persons provisionally selected were placed in the hands of our clerks with instructions to investigate such names at the Bureau of Criminal Investigation of the Board of Police, with the view of eliminating the names of any persons having a criminal record. The information thus

obtained was, of course, valuable, but not as complete as the board desired, because the records of the Bureau contained in general only the names of those persons arrested or sentenced for crime, notice of which was received at police headquarters. To make such investigation more thorough the board this year detailed nineteen of its clerks to visit the various municipal and district courts of Boston to obtain from the records of the court clerks and probation officers all the information they could get to aid in the preparation of the jury list. The whole list, therefore, containing over 6,000 names, has been investigated at police headquarters and at the various courts of Boston by our clerks, acting under our supervision, and the board is of opinion that the investigation has accomplished good results. An examination of this list will show that due representation has been given to all classes of citizens.

BOSTON BALLOT LAW COMMISSION.

The board, sitting with Chief Justice Brown of the Municipal Court, as the Boston Ballot Law Commission, passed upon all matters relative to objections and questions arising in cases of nomination of candidates for city offices.
